

Dear Members,

In determining the fees for the 24/25 season the club is mindful that senior swimmers should be encouraged and supported to remain in the club as long as possible, but fees need to remain fair and equitable across our squads.

A base-rate fee structure has been developed whereby Gold Squad pays the base rate, and as athletes progress from one squad to another and training hours increase a set discount from the base rate will apply.

The discounts will be applied as shown below:

<b>Squad</b>	<b>% discount</b>
Gold	No discount – Base rate applies
Platinum	20% discount on the GOLD rate
Purple	Further 15% discount on PLATINUM rate
Black	Further 7.5% discount on the PURPLE rate
White	Same 15% discount as Purple from PLATINUM rate

**The base rate for the rest of the financial year (i.e until 30 September 2025) will be \$5.34 (inc. GST) per available training hour.**

With the above discounts applied against each squad the new monthly fees will be as listed below commencing 27 January 2025:

<b>Squad</b>	<b>New Monthly Fee</b>	<b>Cost /Hr of Training</b>
Gold	<b>\$190.73</b>	\$5.34
Platinum	<b>\$203.44</b>	\$4.70
Purple	<b>\$235.81</b>	\$3.63
Black	<b>\$247.20</b>	\$3.36
White	<b>\$157.20</b>	\$3.63

We note that our fees remain extremely competitive when compared with other clubs in the metro area.
